COMMUNITY LIBRARY

SUMMER READING FOR ALL AGES

No matter how old or young you are, the library has a summer reading challenge for you. Sign up at the library, on its website at www.communitylibrary.org, or using your smartphone or other mobile device. There will be raffles and other incentives to keep you reading throughout the summer. The library is challenging each one of you to ensure that the children in our community are engaged in reading and other learning activities throughout the summer. Adults and teens serve as role models for younger children. Together we can make sure that ours is a community that values learning and reading. On your mark, get set... Read!

Summer Reading Kickoff Celebration

Music and Memory Program

Music can change the life of a loved one afflicted by Alzheimer's, dementia, Parkinson's or other form of cognitive or physical impairment. It can be a tremendous challenge to communicate and find ways to help those struggling with these conditions. Reconnecting them with their favorite music can help you to reconnect with one another and improve their quality of life.

Caregivers can enroll a relative or friend in the Community Library's Music and Memory program as follows:

- Pick up a playlist questionnaire at the Adult Services Information Desk, fill it out with your loved one's musical selections, and return it to us. You will be notified when your iPod is ready.
- Check out the personalized iPod with a valid MMSCL card for a loan period of 3 months.

For more information, call Debbi Gallucci, Senior Outreach and Reference Librarian, 631-399-1511, x354. ■

Print Your Own 3D File!

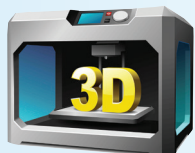

MMSCL is happy to announce that we will now be offering patrons the opportunity to print original designs – or those found on open-source websites – using our 3D printer. Send us the file, and we will 3D print the object, which can then be picked up at the Circulation Desk. Print cost is 10 cents per gram, and objects are limited to 3 hours print time. To review our 3D Policy and procedure and to upload your file, please visit <https://www.communitylibrary.org/Services/3dprint>

Introduction to 3D Printing

Tuesday, June 14, 7:00 – 8:30 p.m.

Registration begins Wednesday, June 1.

Heard about 3D printing and interested in learning more? In this intro class, we'll explain how the technology works and sources of free software. Participants will see a 3D printer in action and then design their own simple file to be printed and picked up at a later date.

3D Printing: Getting Started with Tinkercad

Thursday, June 23, 6:30 – 8:30 p.m.

Registration begins Thursday, June 9.

Tinkercad is a simple yet powerful 3D design software. In this class, participants will learn the basics of the software and then design their own model to be printed at a later date.

Open Computer Lab Mondays, Wednesdays and Fridays from 9:00 a.m. to 4:00 p.m. for adults and teens. During these hours, a library staff member can be reached at 631-657-3743.
