The Future of the Library Building

The library board, director, staff and passionate community members invested time and energy in creating a vision for a new library experience and developing the means by which that vision could become a reality. The voters of the communities of Mastic, Mastic Beach, Moriches and Shirley defeated the bond for this proposed new library building in February. The next step for the board is to review options, which will take time. Any plan, including one for renovation of the existing building, will involve another bond vote to finance.

The members of the board express their deepest appreciation to all the employees and community members who unselfishly dedicated themselves to the creation of the plan and support of the proposed bond to deliver a new library to the community. Thanks to our elected officials for their ongoing support of library services and our ongoing efforts to find a solution to the facility issues that will be acceptable to a majority of community members. ■

Opportunity for Citizenship

*"Becoming a
citizen is my
tribute to this
country that
welcomed me...
that taught me
the value of liberty
and justice."*

In June, the Community Family Literacy Project will award scholarships to adult library users who are studying to pass the U.S. citizenship exam. Scholarship eligibility requires legal permanent U.S. residence status and regular participation in the library citizenship preparation class. Recipients are chosen based on qualifying essays. If you would like to be a part of this progressive program, please register now at the library.

Application to U.S. Citizenship and Immigration Services costs \$725. Scholarships have absorbed this cost for the past 6 years for 19 qualifying students through the generosity of private benefactors. **If you would like to help fulfill someone else's dream of citizenship, you are invited to donate to the scholarship fund. Call the Literacy Department at 631-399-1511, x215 or x220, for more information.** ■
