November 2013 Board Report

Because I didn't report to you last month, I feel as though so much as happened. I'm thinking specifically of a number of programs involving happy children and families. We had a 1KB4K party on October 19, a Halloween party (complete with mini-haunted house and help from staff members of other departments) on October 31, a celebration of National Family Literacy Day on November 3 (collaborating with Literacy Services), a unique program called Welcome to Safety Town on November 8, and National Gaming Day on November 16 (in cooperation with other departments as well). Below are a few pictures from some of these programs. Of course, we offer so many more programs than reflected here, but these are the ones that stand out this month.

The full-time librarians have embraced their new roles in the department's literacy revival, which began in April. CPSD gives children and the caring adults in their lives the literacy opportunities that ensure children's success in school and life. We do this via three "branches": traditional library services; digital services; and outreach services. In addition, we focus on working with the families who are served by the Literacy Department. The overarching goals of all the branches and our work with the ESOL families are the same: to support literacy, including print, digital and social literacy. We have an especially vital role in supporting early literacy, as the only provider of this service available to all children in the community.

Each branch is managed by a full-time librarian, and each one of them has taken ownership of her new role. Erika Irish, traditional library services manager, has updated furniture and toys, particularly in the Playspace, which has made the space more colorful, child friendly and flexible. In her role as digital services manager, Andrea Malchiodi is focusing on making computers and technology a larger part of programming as well as building a Pinterest page for our website.

Debby Iberger, responsible for outreach to the schools, has done all the footwork to increase the number of classes who visit the library dramatically. In November alone, we have had 15 separate classes (with an average of 25 students each) visit us, learn about the library and check out books. Sylvia Maurer, responsible for all other outreach, has the department doing programming throughout the community, collaborating with local businesses, agencies, preschools, and child care providers. Pat Minnini, whose role is to make sure that the families who take advantage of the services the Literacy Department are served as well by our department as all patrons, is in constant communication with Beth to make sure this happens.

Eileen Curtin, as literacy leader and supervisor of the part-time librarians, has met with each of the part-time librarians in small groups to make sure everyone is sharing the importance of "PSSST" (playing, singing, stories, scribbling, and talking) as part of every interaction librarians have with families.

In short, the department is doing well transitioning to this new model of service.

Department Head Note:

October proved to be an eye opening month for Circulation. The Circulation Services staff felt the brunt of a catastrophic internet failure which lasted for approximately one week. Using Mobile Millennium for the first time under emergency circumstances during the failure the Circulation Services staff showed exceptional professionalism and dedication to maintaining excellent customer service. The result of the failure was also evident by the amount of staff assisted checkouts compared to the self checkouts calculated for the month of October. All of the Library's 7 self checkouts were also down as a result of the failure. I am very proud of each and every one of the Circulation Services team and would like to take this opportunity to applaud their skills and their endurance.

Also during the month of October several of the Circulation Services staff, myself included, attended the event honoring the Library held by the William Floyd Summit at the Rock Hill Country Club and I would like to thank the Summit for their recognition of the services our library puts forth to a well deserving community.

Literacy Attendance Skyrockets!

Learning English a Family Affair adult students attended class 919 times during the month of October. Toddlers accompanied their parents 223 times; complete with a parent orchestrated birthday party and library wide parade. Evening ESOL classes were attend 1043 times and family night welcomed 243 children ages 18 months to teen.

New York Library Association Conference

On September 27, 2013 Literacy Coordinator,

Beth Donovan and Literacy Program Assistant, Carmen Navarro-Gao presented a workshop entitled "The ABCD's of ESOL" (sponsored by the Ethnic Services division of the New York Library Association) along with Steven Mahoney, from New York Public Library. Our goal was to inspire libraries all across New York State to begin offering a wide array of English Language instruction to patrons in their communities.

NYLA conference was the rollout of the long awaited Ethnic Services Roundtable book entitled "Connecting Cultures, Ethnic Services In The Libraries of New York State". Former MMSCL RASD librarian, Carolyn Walsh and Literacy Coordinator, Beth Donovan compiled an article for publication, "Learning English is a Family Affair On Suburban Long Island" which according to NYLA and ESRT "showcases exemplary library programs for any program seeking to improve library services to their ESOL patrons."

Sharing space in the library

A few mornings a week there is not enough space in the library to accommodate the necessary growth of our literacy program. We offer three different levels of classes on Monday, Wednesday and Friday mornings. Fortunately the teen department very graciously shares their space with us

to accommodate our growing number of students.

Literacy Students Give Back

In an attempt to teach our literacy ladies a skill and encourage them to participate in a much needed community service, *Needle Arts with Heart* began on October 2, 2013. One afternoon a week a group of usually 10-15 women meet with retired library employee, volunteer Margaret Muszynski, to acquire or improve their knitting skills. With donated yarn and some loving effort our group already has a box full of hats and scarves to contribute to Colonial Youth Adopt a Family program in December. It's wonderful to see women from Pakistan, Turkey, Haiti, and many Latino countries working together to serve those less fortunate. Oh, and let's not forget, Scotland that's where Ms. Margaret is from and boy can she knit.

Gaming Day 2013!

Digital Services oversaw our 3rd successful Gaming Day @ Your Library on Saturday, 11/16. Some programs of note:

- A Minecraft computer game in the Children's Department, in which the library hosted the game "world" on our server, and participants played cooperatively to create in-game buildings.
- A Madden NFL 25 tournament for teens.
- Giant Board Games, including Jenga, Connect 4 and Checkers.
- A Retro Arcade featuring Atari 2600, Commodore 64, NES, SNES & Sega consoles.
- Our first ever "Game Zone"--fitness oriented, motion-controlled gaming on ten 100 inch screens.

DIGITAL SERVICES DEPARTMENT

Bringing Streaming Video to our Patrons

Work is underway on our Hoopla streaming video service.

We have already successfully tested basic barcode authentication, and are continuing to refine levels of access (children, teens, adults). Customization of the

site's look continues, and will feature Community Library branding and news feed. Following this, we will test the final product, demonstrate the service for staff, and then roll it out to our patrons. It is currently slated for a December 2013 launch.

Digital Library Desk

Historically, December and January are the busiest months for Digital Services. The newest gadgets make for popular gifts, and this boosts interest in the digital library. In December, these patrons are planning on purchasing an eReader, tablet or mobile device as a gift and want to know what library services are compatible. In January, the recipients of these gifts often need help with setup of their

device.

In anticipation of these needs and as part of a greater strategy to promote digital services, we will be staffing a mobile "digital library desk" on the main floor. This desk will be outfitted with the more commonly used tablets and eReaders, and will utilize trial accounts for services including music downloads, eBooks & eMagazines. The schedule will be advertised on our print newsletter and website, and will allow patrons to have hands on demonstrations at a time of peak interest. Following this two month stretch, we will evaluate the desk's effectiveness and consider its use in future promotion of digital services, particularly as a tool for outreach.

OCTOBER 18, 2013

HISPANIC HERITAGE AWARDS CEREMONY

Ms. Carmen Navarro-Gao

Carmen is a native of Peru and a dedicated social worker who immigrated to the United States 20 years ago. In 2001, she arrived at the Mastics Moriches Shirley Community Library seeking assistance to learn English. Her goal was to learn the new language and better assimilate into our society. It did not take her long to do precisely that.

In 2004, Carmen received the prestigious Full Circle award from Literacy Suffolk, Inc., honoring her advancement from literacy student to literacy tutor. Ms. Navarro-Gao then started to teach English to a small group of students and continues to do so.

In 2008, Carmen started to work at the Mastics Moriches Shirley Community Library as a Spanish Speaking Program Assistant and has been tutoring classes exclusively for citizenship preparation since 2009. Additionally, she has long been involved with the Parent Child Home Program in the William Floyd School District.

Ms. Carmen Navarro-Gao was selected as a 2013 Hispanic Heritage Award recipient by Senator Lee M. Zeldin.

Re: SCLS Proposed FY 2014 Budget

Enclosed with this memo is the **Proposed SCLS FY 2014 Operating Budget** for your review and consideration.

At its meeting of November 6, 2013 the SCLS Board of Trustees approved the enclosed SCLS FY 2014 Operating Budget and authorized its submission for member library approval. In order for this proposal to take effect more than 2/3 of member libraries must vote to approve the proposed budget before December 31, 2013.

Attached to this memo are the final proposed SCLS FY 2014 Budget, a final proposed Member Support Chart, and your budget ballot. **Please print the ballot out and use it to record your library vote.**

To gain a full understanding of this proposed budget, and its impact on the member libraries, we ask that you review both this packet and the previously distributed "draft" budget packet that was dated October 10, 2013.

There have been only a small number of changes made from the "draft" budget that was distributed in October. Most of the changes are based upon additional estimates and information that we have received subsequent to the "draft" budget being developed. The reasons behind each change are listed below.

Income

- 1) Downloadable Media income has been lowered after conversations with the member library directors, a careful review of usage statistics, and a drafting of the final payment scenario. We have lowered the proposed increase from 40% to 20%. That lowers the real dollar increase from \$402,301 to \$200,787. The billing calculations that were established for this service in 2013 (a base that everyone pays and then usage based payments) will be used again in 2014.
- 2) Suffolk e_Resources income has been lowered due to savings achieved on renegotiated contracts for certain databases. The cost for member libraries to participate in this coordinated order has dropped for all member libraries.

3) *Member Library Support* income has been reduced by ½%. This is due to projected reductions in a few expense lines. The total increase in Member Support has been moved down from \$31,033 to \$24,826.

Expenditures

- 1) *Downloadable Media* expenses will be less than the initial projection as an offset due to the change mentioned above.
- 2) Suffolk e_Resources expenses will be less than the initial projection as an offset due to the change mentioned above.
- 3) *Health Insurance* and *Health Insurance Retires* expenses are expected to be lower than had been previously projected based on new estimates.
- 4) *Vehicle Operations* expenses are expected to be lower than had been previously projected based on new information.

The bottom line after these changes have been made is that the overall SCLS 2014 Budget is projected to increase by 5.06%. The operations side will increase by 2.37% and the Direct Offset side will increase by 10.6%.

Due to a projected State Aid increase of approximately 5% Member Support payments will increase by 1% or \$24,826 in 2014.

Often we are asked why every library does not have the same percentage change in member support. Member library financial participation is determined by a formula that includes the library's service population (which has not changed this year) and the library's expenditures for the prior year (2012.) If your library's disbursements (less capital expenditures and debt service – as defined in your New York State Annual Report) increased more than the County average then your contribution change will be greater than the average. The final proposed member support chart **HAS** changed from the "draft" chart. **The version that is enclosed with this memo is the final chart.**

If possible, please address this issue at your next Board meeting and return the enclosed ballot to SCLS before December 31, 2013. Should you have any questions, please feel free to call me.

Thank you for your continued support of our collaborative efforts.
