

Bulletin Boards

The Library provides bulletin boards in the public service areas. Since space is limited, the types of items that may be posted must also be limited. Space will be allocated in the following order of priority: information about the Library and its services; information supplied by local non-profit organizations (about upcoming events only); and, information supplied by local, state and national governments.

Due to space and legal considerations, the Library will not post advertisements of any kind (except those announcing events and/or services sponsored and/or provided by local community organizations and government agencies).
