# Friendship Crafts

## Friendship Wreath Craft

### Materials:

- Construction paper
- Scissors
- Pencils
- Markers
- Glue

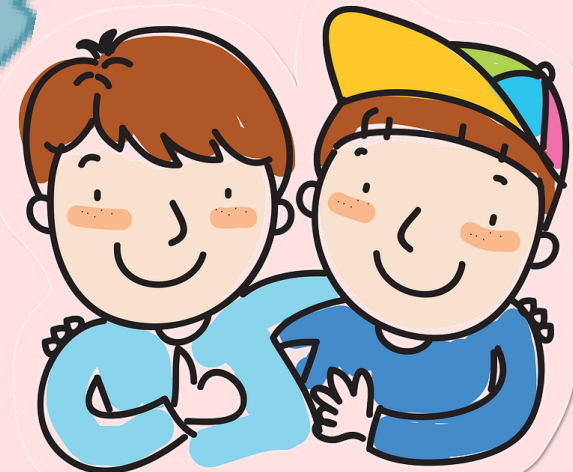

1. Trace your hand over different color sheets of construction paper
2. Cut out the handprints (8-12 total)
3. Write the names of friends and family on the handprints
4. Glue the handprints so they overlap one another, creating a circle shape
5. Hang your circular wreath on your door

## ***Friendship Finger Play***

**Ten little friends (*hold up fingers*)**

**Went out to play. (*wiggle*)**

**On a very bright and sunny day.**

**And they took a little walk.**

**Walk, walk, walk. (*walk fingers in front of you*)**

**And they had a little talk.**

**Talk, talk, talk. (*put fingertips together*)**

**They climbed a great big hill, (*move fingers over your head*)**

**and stood on the top very still. (*keep hands still*)**

**Then they all tumbled down, (*roll hands around & around*)**

**and fell to the ground.**

**"We're so tired", they all said. (*hold up fingers*)**

**So they all went home and went to bed.**

**10-9-8-7-6-5-4-3-2-1. (*put fingers down one at a time*)**

**Good night! (*lay head on hands*)**
