

Treatment of Borrowers

All registered borrowers will be treated in a courteous and efficient manner. The staff will always keep in mind that it is the residents of the community who, as taxpayers and voters, established and support the Library.

Preference will always be given to District residents when there is a question of serving either resident or non-resident borrowers during busy times.

All registered borrowers will be treated as equals. No borrowers will be granted favored status in terms of service or exceptions to regulations.

Borrowers from other districts will be granted all privileges mandated by law. They will be allowed no other use of the Library (except for basic information services), since the Trustees believe that all of the Library's limited resources should be spent on those who support the Library.
