## CATCH THE READING BUG – Fairy Tales

Fairy tales always have happy endings. But first there must be a challenge, something to test the main character. Cinderella lives with awful stepsisters until she meets her prince. The three little pigs finally outwit the big bad wolf. Whether in an anthology (above) or individual fairy tale (below), follow these adventures while helping your child's imagination grow.

For older fairy tale fans there are chapter books series (below) that deliver these classic tales with exciting twists: **Fairy Tale Reform School** (Jen Calonita), **The Land of Stories** (Chris Colfer), Liesl Shurtliff's **Fairy Tales**, **The Sisters Grimm** (Michael Buckley), **Ever After High** (Shannon Hale), **Fairy Tale Comics**, **Whatever After** (Sarah Mlynoski), **A Tale Dark and Grimm** (Adam Gidwitz), **Fairy Tale Matchmaker** (E.D. Baker), **Grimmtastic Girls** (Joan Holub) and **The Ever Afters** (Shelby Bach).

All are available on [livebrary.overdrive.com/library/kids](https://livebrary.overdrive.com/library/kids) (search by title, series title or author) or visit the library and we will show you where to find the books. ■
