THE ANTS GO MARCHING

The ants go marching one by one, hurrah,
hurrah.

The ants go marching one by one, hurrah,
hurrah.

The ants go marching one by one,
The little one stops to suck his thumb.

And they all go marching down,
To the ground, to get out, of the rain.

BOOM! BOOM! BOOM!

(repeat, replacing numbers and actions below)

...two by two...stops to tie her shoe...

...three by three.... stops to climb a tree...

...four by four... stops to shut the door...

...five by five... stops to take a dive...

...six by six... stops to pick up sticks...

...seven by seven... stops to pray to heaven...

...eight by eight... stops to check the gate...

...nine by nine... stops to check the time...

...ten by ten... stops to say "The End!"

ACTIVITIES

Wrapping Paper Butterflies

Materials

- Two 6x6 inch cut squares of wrapping paper
- One 6 inch length of fuzzy pipe cleaner

Instructions

- 1) Fold one square in half, corner to corner, making a triangle.
- 2) Working from center line out, make alternating zig zag folds 1 inch apart, both sides of the triangle.
- 3) Repeat Steps 1 & 2 with other paper square.
- 4) Pinch both folded squares together in the middle, then wrap tightly with pipe cleaner. Bend the ends of pipe cleaner to make antennae.
- 5) Open up both sides into wings, flattening them down as needed.
- 6) Make as many butterflies as you like with more wrapping paper. You can hang up multiple butterflies with a long length of twine to make a colorful garland or party favor.
