Case 20-T-0617  
Deficiency No. 1

**SUNRISE WIND LLC's  
RESPONSE TO DEFICIENCY NOTICE**

**Deficiency No. 1**

*PSL §122(2)(a)(i) requires proof of service of a copy of the application that “each municipality host to any portion of the proposed route or route alternatives [addressed to the chief executive officer and including date or approximate date of filing].” The Union Avenue South Converter Station site abuts the municipal boundary of the Town of Islip. Please provide, or otherwise indicate notice has been provided to the Town of Islip Supervisor of the proposed location of facilities within 500 feet of the municipal boundary.*

**Sunrise Wind's Response:**

A copy of the Article VII Application and Amendment will be served on the Town of Islip Supervisor contemporaneous to this submission. As noted in the cover letter associated with this filing, a confirmatory Affidavit of Service will be filed with the Secretary's office when it is available.
