Your Library Loves to Help

Music and Memory Program

How can music change the life of a loved one afflicted by Alzheimer's or dementia? When someone you love struggles with Alzheimer's, dementia, Parkinson's or another form of cognitive or physical impairment, it can be a tremendous challenge to communicate and find ways to help them. Personalized music can help bridge that gap and enable you to reconnect with one another. Re-connecting them with their favorite music can vastly improve their quality of life regardless of their cognitive or physical status.

Caregivers can enroll a loved one in the Community Library's Music and Memory program as follows:

Pick up a playlist questionnaire at the Adult Services Information Desk, fill it out with your loved one's musical selections, and return it to us. You will be notified when your iPod is ready to be picked up. Check out the personalized iPod with a valid MMSCL card for a loan period of 60 days.

For more information please call Debbi Gallucci, Senior Outreach and Reference Librarian at 399-1511 ext. 354.

Satellite Branch Build Progress

The library is pleased to announce that the renovation and build-out of the Mastic Beach branch has begun. In July, bids for work on the project were awarded and demolition of the interior and exterior was completed.

This makes way for the renovation and expansion of the building, which will be starting in August. Seen in these pictures, the facade has been removed and walls taken down to the framing. Expect to see a new foundation for the expanded Children's area soon.

The Mastic Beach Satellite Branch will be 7,000 square feet on one level with ample parking, an outdoor program space, and a one-acre library park across the street.

It will offer a streamlined and convenient library experience for local residents on Neighborhood Road with an abundance of natural light throughout the building.

A collection of popular reading materials, such as bestsellers, children's books, and DVDs will be housed in the building. Items requested from the main library and through interlibrary loan will be available for pickup.
