# **DRAFT**

## **MASTICS-MORICHES-SHIRLEY COMMUNITY LIBRARY**

### **MINUTES OF APRIL 28, 2025 BOARD MEETING**

Trustee Maiorana called the meeting to order at 7:03 pm.

#### **CALL TO ORDER**

#### **PERIOD OF PUBLIC EXPRESSION**

Present were Trustees Maiorana, Gross, Chris Ricciardi, and Kimmerling, Director Castro, Assistant Director D'Amato, Business Manager Nowak and Secretary Stirber. Mark Grossman attended as a guest. Trustee Furnari arrived late.

#### **PRESENT**

Motion by Gross, second by Kimmerling, to accept the minutes of the March 25, 2025 meeting of the Board of Trustees. Carried 4-0.

#### **APPROVAL OF MINUTES**

Motion by Kimmerling, second by Ricciardi, to accept the minutes of the April 8, 2025 special meeting of the Board of Trustees. Carried 4-0.

Motion by Kimmerling, second by Gross, to approve the following Operating Fund Schedule of Claims dated April 28, 2025. Carried 4-0.

#### **SCHEDULE OF CLAIMS**

Motion by Ricciardi, second by Kimmerling, to approve the Operating Financial Report for March 2025. Carried 4-0.

#### **FINANCIAL REPORTS**

Motion by Gross, second by Kimmerling, to approve the Capital Fund Financial Report for March 2025. Carried 4-0.

Ms. Castro reported that this month she met with Kevin Coster, Superintendent of the William Floyd School District. In addition, she attended the official grand opening the Brewport Café here at the library. The Director reported that she attended the April zone meeting which was hosted by the Director of the Port Jefferson Library. There was a discussion at the meeting concerning digital collections, specifically all the changes to digital and print collections and how to handle these changes going forward to do a better job. Ms. Castro informed the Board that the Town of Brookhaven is holding a technology fair in September. All of the Brookhaven libraries will have tables and information to showcase what each library has to offer. Steve Burg will be representing our library at this event. The Director then reported that Rita Alfano has been appointed department head for the Reference and Adult Services Department. Also, the Digital Services Department has been merged with the Reference and Adult Service Department to better utilize library resources and staff. The Director held two department head meetings this month which were very productive. One idea that was discussed was organizing a gallery hanging system and display area in the library. More information concerning this will be provided next month. The Director reported that this month Kyle Imperatore put together a production of the Wizard of Oz. The show was well attended and the amount of work spent on preparing for this was evident. The Director continued with her report informing the Board that each department will be planning special events for the 250<sup>th</sup> Celebration. This includes talks by a local historian, a performance by American Airpower Museum Band and special collections available to patrons for each department. There will be a special logo used throughout the year to highlight the events.

## **DIRECTOR'S REPORT**

The Assistant Director reported that she attended a variety of community events, including Manor Park and Pattersquash Creek Civic Associations. In addition, she also attended the official grand opening of the library café and the Coffee with a Cop program. She was also involved with Operation Medicine Cabinet which is the collection of expired medications conducted through the police department. Ms. D'Amato reported that she has been working on the person in charge protocol and staff security training. Lastly, Ms. D'Amato reported now that all three buildings are open she is working on reaching the contract patrons, through outreach. She is specifically looking to reach the patrons in Manorville to direct them to the programs and services available at the Moriches Branch.

## **ASSISTANT DIRECTOR'S REPORT**

Mr. Nowak began his report thanking Kathi Bertos for all of her work on the budget and trustee vote. She had a great deal to do with both the procedural work in the weeks before the vote and the technical work that day to make sure that everything went smoothly. Mr. Nowak then reported that we have completed our annual Affordable Care Act requirements and the filings were accepted. The Business Manager continued with his report informing the Board that we are having a few facilities issues. There are new and recurring HVAC issues and a recurring plumbing problem. At the Mastic Beach branch there is leaking in the restroom and it is causing damage to the sub floor and basement. Mr. Nowak then reported that in tonight's board package are the landscaping renewal agreements with Suburban. Mr. Nowak then discussed our three offsite storage facilities located in Shirley, Ronkonkoma and Patchogue. The historical society has agreed to take the historical wood we have been holding and the literacy department will be holding its book fair so the climate-controlled space should be closed down in the near future. Mr. Nowak reported that through the month of March we collected approximately 55% of tax receipts from the William Floyd School District. Lastly, the paperwork to have Nancy Kimmerling added as an authorized bank signatory is being finalized tonight.

**Director's Report**  
**May 19, 2025**

**1. Meetings and Outreach**

This month, I attended the MBPOA Tri-Hamlet 250 Committee meeting to discuss the upcoming 250th anniversary event on July 19 and the library's planned involvement. I also had an extended conversation with representatives from the Mastic Beach Conservancy to explore potential partnerships on events and educational initiatives.

**2. Professional Development**

On May 8, I attended the Long Island Library Conference (LILC), where I participated in sessions on incorporating social workers into library services, improving operational efficiency, and marketing strategies for libraries.

**3. Library Operations**

I am currently meeting with each department to assess staffing and operational needs. These conversations are helping to address immediate concerns and gather insight for future planning.

**4. Special Recognition**

This year's Masticon event was a great success and received positive media coverage. Special thanks to Catherine Gordon, Robert Newman, and Sam Quinn for their continued dedication in participating and organizing this popular annual event.

**5. 250th Celebration Update**

Each department is actively working on individual and library-wide programming for the 250th celebration. The July newsletter will feature a kickoff event, including a lecture by Jennifer Anderson, Associate Professor of History at Stony Brook University.

# ASSISTANT DIRECTOR'S BOARD REPORT

Summary of activities for May 2025

## PUBLIC RELATIONS

This month, the library's showpiece event was Masticon V, a comic-con style community festival held outdoors at Moriches branch. Several hundred people attended and they day was a huge success, with activities happening both indoors and outside.

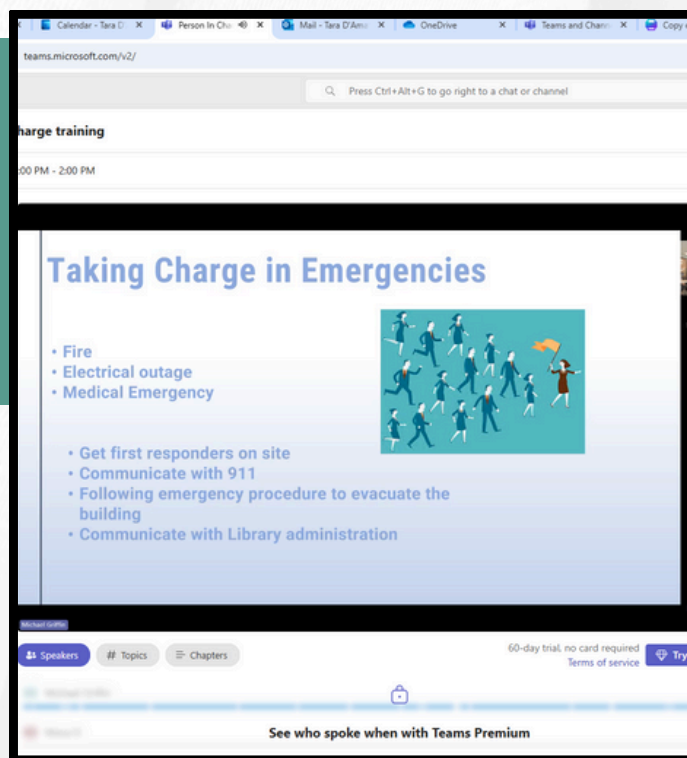

Thank you to the staff organizing committee and Librarian Tom Casper for great photos. I coordinated communication between Mark Grossman and staff to get more press coverage of the event. Mark's PR piece received prominent coverage in the South Shore Press, Brookhaven Reporter, and Moriches Bay Tide (see correspondence section in board report).

## ADMINISTRATIVE

**Safety training** is an ongoing activity for the library to ensure that all staff are up to date on policies and procedures. This month I delivered a 2 hour long Person-In-Charge training session for managers and librarians, along with consultant Michael Griffin. We covered what to do when you are the senior staff member in charge at the library, in case of emergencies such as fire alarms, electrical outage, medical emergencies, etc. The training is geared towards evening and weekend staff who may face situations without Department heads or senior staff on hand. The session was attended by 15 staff and video streamed to others who could not attend. A detailed Q & A session continued after the presentation. We have the recording saved now so that other staff can watch it on their own time.

**CPR/AED certification** is the next staff training to happen in June. We have contracted with an EMS trained provider to complete staff CPR certifications, insuring that there are at least 2 staff members in each public service department with current CPR/AED training. The second component is management of our AED kits, which must also be overseen by a medical professional. Our kits will be inspected, supplies renewed and our Suffolk County AED site certification renewed after the training is complete in June.

The **Library Contract patron renewal period** is in June, and this year we are launching a concerted effort to attract more Eastport South Manor patrons to our new buildings. Working with Lorraine Squires, CARES DH, branch manager Kerrilynn, designer Sara Roye and Mark Grossman, we will be running ads in the local newspaper (Moriches Tide and Pennysaver editions). A postcard was designed and will be direct mailed to ESM patrons soon. Kerrilynn is coordinating a strong library presence at the Moriches Spring Fair.

## MASTIC BEACH BRANCH

May 2025

Compiled by: Stephen Burg

Over the past month, the Community Support Committee and I launched a new support group program for under-served patrons in the Mastic Beach community, titled "Gathering Grounds." This initiative is facilitated by our social work intern, Alyssa, and is designed to provide guidance, resources, and access to various assistance programs for those in need.

In addition to this initiative, I've been actively meeting with the Senior Committee to continue identifying opportunities to better serve our senior population.

I've been leading a multi-week Makerspace training series for our team. Week One focused on 3D printer training. Week Two will introduce staff to the Cricut machine. Week Three will cover laser engraving techniques. The Final Week will highlight the remaining tools and resources available in the Makerspace. These trainings aim to build staff confidence and expand our capacity to offer creative, hands-on learning opportunities to the community.

### Meetings Summary:

#### **April 28 & May 12** – Brookhaven Town Public Libraries Expo Planning Meetings

I attended two planning meetings for the upcoming Brookhaven Town Public Libraries Expo, which will be held on September 13 at Brookhaven Town Hall. The expo will highlight the wide range of services offered by Brookhaven's public libraries. Featured topics will include Makerspace technology, essential equipment, key databases such as Brainfuse, and our digital collection offerings.

#### **April 30** – Suffolk County Parks Parking Pass Information Session

This session provided insight into a new partnership between local libraries and the Suffolk County Parks Department. Through this collaboration, libraries will offer free or discounted parking passes to county parks. Each pass will cost the libraries \$5.00 and will be available in packs of 15.

#### **May 1** – Key Performance Indicators for Library Success

I attended a session hosted by the Hauppauge Public Library featuring CEO Matthew Bollerman and the Library Board of Trustees. They shared how their library uses Key Performance Indicators (KPIs) to measure success and guide strategic planning. The session offered valuable insight into data-driven decision-making for library management.

#### **May 5** - Pattersquash Creek Civic Association

Wm. Floyd School Superintendent Kevin Coster, joined by School Board President April Coppola, presented the Proposed 2025-2026 School Budget. The no tax increase proposal will be voted upon on Tuesday, May 20th from 7am-9pm in the Wm. Floyd HS Lobby.

Beechwood Homes' Elysa Goldman attended and gave the group an update on the Neighborhood Road Redevelopment Project.

**Meetings Summary continued:**

**May 8** – Long Island Library Conference

The Long Island Library Conference featured a variety of informative programs. I attended:

"Intellectual Freedom in the Age of AI" by Nick Tanzi (South Huntington Public Library), which addressed the evolving challenges libraries face in maintaining intellectual freedom amid the rise of artificial intelligence. Nick spoke about how artificial intelligence is reshaping our information environment. With AI comes algorithmic bias, hallucinations, and the capacity for censorship. His presentation looked at the risks AI poses to intellectual freedom and identify how libraries can continue to champion this critical value. He made the audience aware of what to be wary of and the best practices to use with AI and encouraged us to help educate our patrons.

"Navigating the Future: Teaching Emerging Tech in Libraries", a panel presentation by Anthony Giansante (John Jermain Memorial Library), Steve Alcalde (Rogers Memorial Library), and Sara Fade (Middle Country Public Library). They discussed effective strategies for training staff on emerging technologies and securing buy-in from both staff and management.

Additionally, I attended the keynote address by Tracie D. Hall, Distinguished Practitioner in Residence at the University of Washington and former Executive Director of the American Library Association (ALA). She spoke passionately about embracing our "kairos moment"—a pivotal opportunity for libraries to stand against censorship and reaffirm their role as defenders of access and equity.

## **Moriches Library Board Report – May 2025**

**Submitted by: Kerrilynn Jorgensen, Branch Manager**

This past month has been exceptionally active at the Moriches Branch. We've continued to focus on enhancing our services and overall environment in an effort to attract more patrons, particularly contract members from the surrounding community.

One of our key initiatives has been the development and rollout of Book Discussion Kits. These kits are designed to support local book clubs and discussion groups. Each kit contains multiple copies of the same title along with a discussion guide and can be checked out by a single patron with a valid MMS library card. Early response has been positive, and we plan to grow the collection based on recommendations we receive from users.

We also made significant improvements to the physical layout of the branch. The outdated rolling metal shelving was removed and replaced with low-profile wooden shelving units—extras from a recent order at the main location. The change has not only refreshed the look of the space but has also helped visually align our branch with the design and furniture used at 407 William Floyd Parkway.

With the support of Michael Bogin, we've begun exploring options for replacing worn furniture in the CPSD area. Looking ahead, we're planning a redesign of the adult reading section to include more comfortable seating options better suited for both leisure reading and remote work.

In response to growing demand, we relocated our low vision reading monitor to Moriches. Given our proximity to the Waterways, a 55+ community, we've seen an increase in requests for accessible technology. We're committed to meeting those needs as best we can.

Operationally, I've been working closely with Rita Alfano, training her on departmental statistics, updated adult department scheduling, and our hiring protocols as we move to replace recently departed staff.

Lastly, I joined Dave Belmonte and Lindsay Davis in reaching out to local businesses and organizations to secure sponsorships for our inaugural Golf Outing. These efforts have been well received and are helping to build stronger ties between the library and the broader community.

# REFERENCE & ADULT SERVICES

MAY 2025  
BOARD REPORT

COMPILED BY: RITA ALFANO

## DEPARTMENT UPDATES

Since the absorption of the Digital Services department, I have been working with Steve Burg to organize and schedule trainings for all the equipment within the Makerspace.

While trainings are required for all Adult Reference staff to be cross-trained, we have invited employees library wide to be involved in these trainings so as to offer Makerspace programming and services to all ages within the community.

Trainings are focused on the 3D Printers, Cricut, Sublimation, laser engraver, Ellison Die, button maker, sewing machine, troubleshooting and all necessary software. We are scheduled to re-open the Makerspace July 1.

## PROFESSIONAL DEVELOPMENT

### Narcan Dispensing Machine:

Virtual presentation hosted by SCLS providing information on becoming a partner with NY MATTERS (Medication for Addiction Treatment & Electronic Referrals). Vending machine provides Narcan, Fentanyl test strips and Xylazine test strips for free by entering a universal pin code. Cost of machine is reimbursed to organization that acquires it.

### Heads of Adult & Information Services Meeting @ SCLS:

Received important information and updates regarding adult and library wide services such as discounted green key passes, county lending library items, the new Vega online catalog, e-resources and our central library.

## LONG ISLAND LIBRARY CONFERENCE

There were many resources and program ideas featured at the 2025 conference that could be relatable to our library patrons.

### PROGRAM TAKEAWAYS

1. *Communication All Ways: Sign Language & Visual Communication Programs* (for patrons & staff)

<https://communicationallways.com/>

Help the community learn sign language, for all ages and help staff learn approaches to assisting hard-of-hearing or deaf patrons.

2. *Financial Literacy Classes*: Valuable to anyone, but could especially be useful to low and/or fixed income community members.

3. *Notes & Nirvana: Sound Healing*

(Crystal Bowls, Gongs, and more)

<https://www.notesandnirvana.com/services>

This vendor offers programming for workplace wellness, public events, private instruction, and group classes using meditation and immersive sound experiences.

Info Provided By Conference Attendee:

## PROGRAMMING & SERVICES HIGHLIGHTS

### MEDITATION & REIKI HEALING

This program was well attended and a number of patrons expressed interest in this being offered again in the future. We have four sessions scheduled for the summer. **Total Attendance: 24**

### BINGO

While this event was held during the day, there was still a good turn-out and patrons enjoyed their prizes which were a notebook, magnets with our logo made in the Makerspace and gift certificates to Brewport. We expect higher attendance at the next scheduled Bingo program since it will be held in the evening. **Attendance: 19**

### BOOK CLUB KITS

Kailey Valenti was assigned by Lonna the task of creating Book Club Kits for patrons to have the opportunity to borrow and conduct their own book club discussions. Each kit includes regular, large-print, and audiobook versions of the the specific title along with a discussion guide with questions and book recommendations. **Number of Book Club Kits: 5**

### ***Children's and Parents' Services Department – May Highlights***

This May, the Children's and Parents' Services Department was proud to help bring the excitement of cosplay to our community! Full-time Librarians Sam Quinn and Scott Bendjy served on the MastiCon committee, working alongside colleagues from Teen Services and Reference and Adult Services to bring this incredible event to our community once again. The weather held out, and we welcomed over 330 attendees—many of whom participated in the Cosplay Contest, bringing characters from all areas of fandom to life right here at our Moriches Branch. It was especially nice to see so many staff members attend on their day off and bring their families to enjoy the festivities.

From May 4th through May 10th, we celebrated Children's Book Week—a favorite tradition in our department. Throughout the week, staff dressed up as book characters, delighting children who were thrilled to see their favorite book characters walking through the library. It's a fun and engaging way to promote a love of reading and highlight the magic of children's literature.

Looking ahead, I will be attending the Suffolk County Public Libraries Directors Association 2025 Scholarship Fundraiser on May 30th. This important event supports diversity, equity, and inclusion in the library profession, and I'm proud to be able to attend this event.

# COMMUNITY LIBRARY

CHILDREN'S & PARENTS' SERVICES DEPARTMENT

## *Professional Development*

### **Future Ready Youth Preparing Our Patrons to Navigate the Age of AI – May 2**

Pat Mininni and Sylvia Maurer attended the live online presentation and shared the recorded version with all CPSD Librarians and Library Assistants.

### **LAPC (Librarians' Alliance for Parents & Children) – May 19**

Pat Mininni will be attending this meeting at Brentwood Public Library with notes from Chelsea Kuil as they take turns attending these meetings.

### **Libraries Supporting Literacy Best Practices – May 22**

Sylvia Maurer will be attending the live webinar.

In addition to the above professional development, CPSD Librarians, Library Assistants and Clerks will be starting Maker Space training this month to learn how to use the specific machines available to us and our patrons and how to best incorporate them into programming.

## *Community Engagement*

This May, full-time Librarian Trainee Chelsea Kuil will be visiting Moriches Elementary School on May 20<sup>th</sup> during Mental Health Awareness Month to talk to 3<sup>rd</sup>, 4<sup>th</sup> and 5<sup>th</sup> grade classes about the resources available to them at the library.

This month are hosting four class visits from William Floyd Elementary School at the main building and we have started our annual Kindergarten visits from Moriches Elementary School to our Moriches Branch. All of our class visits include a tour of the library, an introduction to all of the resources available through the Library and the opportunity to check out a book to take home. These visits provide students with a quick and easy way of signing up for their first library card if they do not already have one.

In addition to in-library programs, CPSD staff are representing the Library at several community events throughout the month, offering engaging activities and informational handouts on Library resources:

- **William Floyd Elementary School PTO Meeting – May 8**
- **William Floyd Elementary Kindergarten Orientation – May 28**
- **Mastic Beach Ambulance Open House – May 24**
- **Moriches Elementary School Kindergarten Orientation – May 29**
- **Moriches Elementary School PTO Meeting – May 29**

These outreach efforts continue to strengthen our ties with local schools and families, while promoting the Library as a welcoming and educational space for all.

We are excited to announce that we'll be having on the windows of our department! This colorful addition will not only brighten up the space, creating a more inviting and livelier atmosphere, but it will also serve as a creative way to catch the attention of the teens. Pictures of the completed project to come at a later date.

Maria Doran partnered with Brewport Café to launch a heartwarming community initiative that brings creativity and kindness together. Teens decorated custom drink sleeves as part of a community service program, showcasing their artistic talents and spreading positivity. Brewport Café plans to use these personalized sleeves on drinks ordered within the café, adding a delightful and uplifting touch to every hot beverage.

Summer is coming and we are getting ready...

**PROFESSIONAL DEVELOPMENT**

Some teen staff joined the Libraries Navigate Users through AI program to learn about tools like Microsoft Copilot, Meta AI, Google Gemini, and Grok, showing how AI is everywhere. Teens use these technologies for schoolwork and personal challenges like mental health and friendships, but they often don't fully understand how they work. Teens are relying on AI to help with mental health issues. There is a need for better communication between teens, schools, and parents about using AI wisely. Relying too much on AI for answers can leave teens with knowledge gaps. Youth librarians can help by encouraging real conversations and creativity while guiding teens in using AI. Some fun program ideas have come out of this program.

## What is a Contract Patron?

Any school district that does not have its own library has the option of becoming a contract district. Instead of voting on a library budget, voters in the school district vote each year whether or not to continue that contract, in which the district pays Suffolk Cooperative Library System (SCLS) for library privileges at specific libraries. Every year on July 1, SCLS counts each contracted library's number of contract patrons and disburses those library privilege fees according to the percentage of members belonging to each library.

In MMSCL's case, we are part of the contract with the Eastport South Manor School District. ESM residents have a choice of a library card at MMSCL, Center Moriches, Westhampton, or Riverhead.

- Contract patrons can have library cards with their chosen library from July 1—June 30 of each year. Once they have signed up for the year, they cannot transfer—but they can either renew with the same library or switch contract libraries after July 1 of each year.
- As contract patrons renew, our “current count” goes up regardless of new memberships—it’s just as important to get contract patrons to renew as it is to attract new contract cardholders.
- Members of a household have to join the same library - they can’t have dual memberships.
- MMSCL can only register patrons who live in WFSD or ESM School District. Other school districts may have contracts with other libraries, but there are no free agents.

## Welcome Ellen!

We are very happy to welcome Ellen Campbell, longtime Senior Clerk in Adult Services, to the Customer Resource Services Department. Throughout our transitional time before we moved back into the Main Library, Ellen was a huge help to us when we needed desk support, so she's already at home with us. And she's bringing Homebound Services to CRS, so we will be able to support her work with these special patrons. Ellen will also continue her work with Museum Passes and the Library's Senior Outreach Committee.

## Belated Welcome Hillary!

CRS was excited to have Library Assistant Hillary Maldonado come on board from Childrens and Parents Service in January. Hillary's focus is on our processing - getting everything that comes in ready for loaning to our patrons. She has been organizing our workroom and readying our Library of Things collection. Technical processing can be a steep learning curve, but Hillary's knowledge and library experience suit her perfectly for this role.

## Staff Development

**Full-Time Library Clerk Calista MacDowell** attended the **Long Island Library Conference on May 8** and attended the following sessions:

- *Meeting Patrons Where They Are: How Social Work Helps Libraries Address Social Needs*
- *Women & Technology in Libraries: Ask Me Anything*
- *How Librarians Helped Win WWII*

**Principal Clerk Liz Horbal, Library Assistant Hillary Maldonado, Library Clerk Calista MacDowell, and part-time Clerk Lindsey Toranzo** all took part in **staff Maker Space training**, learning about 3D printers, sublimation transfers, the embroidery machine, and more as part of the re-imagination of the Maker Space in the Library. They will be able to share their knowledge and experience with other staff and patrons, increasing the profile of the space and what it offers.

## 28 Alleged Gang Members Indicted in Major Suffolk County Crackdown

By Raheem Soto

Suffolk County District Attorney Ray Tierney (R) announced the indictment of 28 individuals in connection with a wide-ranging investigation targeting two organized street gangs—the “Mak Balla Family” and the “9-Trey Bloods.”

The operation, which included local, state, and federal law enforcement partners, culminated in two indictments totaling nearly 200 charges and marks one of the largest gang takedowns in recent Suffolk County history.

A grand jury returned a 168-count indictment against 22 alleged members and associates of the Mak Balla Family, a Bloods-affiliated gang operating primarily in Coram, Shirley, Bellport, and Mastic Beach. The indictment details four years, from 2021 to 2025, during which the defendants are accused of involvement in 17 shootings, three armed robberies, and over 40 drug transactions.

## Town's Amnesty Program Saves Homeowners Millions: Boosts Safety Compliance

By Raheem Soto

The results speak for themselves when the government steps aside from red tape long enough to let common sense do its job.

That was the case in Brookhaven Town, where a temporary building permit amnesty program concluded with measurable results and minimal controversy.

The three-month initiative, which ran from January 1 through March 31, allowed homeowners to bring their properties into compliance without facing penalties for overdue or unpermitted work. More than 3,200 residents participated, avoiding over \$3.1 million in fines.

## MastiCon 2025 Brings Pop Culture Magic to the MMS Community Library

By Cait Crudden

The Mastics-Moriches-Shirley Community Library transformed into a vibrant hub of creativity and fandom this weekend as it hosted the fifth annual MastiCon, a free, family-friendly celebration of comics, anime, cosplay, retro gaming, and pop culture. Drawing nearly 300 attendees from across Suffolk County and beyond, the beloved event continues to grow in both scale and spirit, bringing the joy and excitement of Comic Con to eastern Long Island.

Held at the library's main branch, MastiCon 2025 offered a packed schedule and interactive experiences for fans of all ages. This year's edition expanded to include Artist Alley, Vendors Row, and Author's Nook, creating a full convention-style layout that showcased local talent, independent creators, and unique pop culture merchandise. Live cosplay contests, guest appearances, retro video games, and themed activities made for an immersive day where creativity and community collided.

"MastiCon is one of the most joyful, creative events we host all year," said Lonna Castro, Director of the Mastics-Moriches-Shirley Community Library. "It reflects everything a modern library can be — a place where stories come to life, community comes together, and imagination takes center stage."

Fans arrived in elaborate costumes ranging from anime icons and superheroes to video game characters and fantasy figures. Cosplay competitions for children, teens, and adults brought cheers and applause, as contestants took the stage to show off not just their costumes, but also their passion and craftsmanship. Judged by local cosplay experts and creators, winners walked away with themed prizes and plenty of bragging rights.

One of the most popular areas was Retro Game Central, where attendees played classic console games from the 1980s and 1990s, sparking nostalgia among parents and discovery among younger gamers. Nearby, Artist Alley featured dozens of illustrators and designers showcasing original art, comics, stickers, and custom commissions. Meanwhile, Author's

Nook gave visitors the chance to meet local writers, explore self-published novels, and hear readings from fantasy and sci-fi books.

Vendors Row offered everything from collectible action figures to handmade jewelry, attracting collectors and casual browsers alike. The event also featured live drawing sessions, a character design workshop, and a pop culture trivia challenge.

Library staff and volunteers worked tirelessly to ensure the event ran smoothly, with themed decorations, photos, and interactive displays. MastiCon's continued success has not only highlighted the library's evolving role in the community but also its ability to foster inclusive spaces that celebrate culture, creativity, and curiosity.

As MastiCon 2025 drew to a close, attendees left with armfuls of collectibles, new friendships, and memories of a day where their favorite stories stepped off the page and into real life. With growing attendance and enthusiasm, the Mastics-Moriches-Shirley Community Library has made it clear: pop culture belongs in the heart of the community.

Organizers have already begun planning for next year's MastiCon, promising more guests, bigger contests, and new surprises for what has quickly become one of Long Island's most anticipated library events.

Dear Sir and/or Madam:

The Town of Brookhaven's records indicate that, as of the date of this letter, you are a property owner within the proposed boundaries of the Mastic Beach Sewer Improvement Area. A **Mastic Beach Sewer District** would facilitate and encourage redevelopment of the Neighborhood Road Redevelopment Area and additional properties along Mastic Road.

The estimated maximum cost of the sewer improvement is \$42.7 million dollars. Presently, the Town has a firm commitment for a \$20 million dollar grant from the American Rescue Plan Act (ARPA) of which the Town has already received approximately \$10 million dollars. A total of \$24.25 million dollars in grants and external funding is anticipated. The Town will also apply for several additional grants when they become available. The cost of the sewer improvement will be borne by local assessments on the parcels of land benefitted by the sewer improvement.

The cost of the district to the typical property owner in Year 1 of operation is \$4,297/year. The cost of the district to a typical one or two-family home in Year 1 of operation is also \$4,297/year. The cost of the district to the typical property owner after Phase 5 of the Neighborhood Road Redevelopment Area (NRRA) is \$2,788/year. Additional grant funds are anticipated and will further reduce these costs.
