

Welcome to the Mastics-Moriches-Shirley Community Library's **LIBRARY OF THINGS**, a collection of objects to borrow.

The Library is offering these items for loan as part of our mission to enhance the lives of our community through educational and cultural enrichment.

Adult MMSCL cardholders can reserve and check out up to **TWO** items from this collection at a time.

Items can be reserved up to 60 days in advance either online or by calling 631-399-1511 x2024

Library of Things items cannot be picked up before the reservation date.

Reservations should be made for the date that you will pick the item(s) up at the library - if you pick up your item(s) late, you will lose that time on your reservation: due dates will not be extended for items that have been picked up late.

If an item is not picked up within 3 days of the reservation date, the reservation will be released.

Items must be picked up at and returned to the front desk in the building you designated when reserving.

Library of Things items have varying due dates – check that you know when your item is due back. **Late fees are \$5/day.** Loans cannot be renewed

Library of Things - Blood Pressure Monitor Kits are checked out for 28 days, are not reservable or renewable and do not incur fines.

Items in the collection may be in high demand. Keeping items past their due dates may prevent other community members from borrowing them. If an item comes back late or is lost, the Library may not be able to honor reservations.

Failure to return Library of Things items in their original condition will result in cleaning or replacement fees. Replacement charges will vary – check the listing for each item's replacement charges. Cleaning fees will be assessed based on time and supplies needed.

The Library reserves the right to restrict or cancel Library of Things borrowing privileges for repeat offenses.

The Library is not responsible for any injury, loss, or damage that may occur from use of these items.
