Children's and Parents' Services Department – August Highlights

This summer, we were thrilled to bring our beloved collaborative program, *Teachers' Story Corner*, back to our main building! Each year, we proudly partner with the William Floyd School District to create a special space where Floyd teachers read to children in our community throughout the summer. This year's program was energized by the enthusiasm of librarian Scott Bendjy and William Floyd Learning Center teacher Kristie Guerriero, who helped bring new excitement and creativity to program. *Teachers' Story Corner* continues to be a favorite among families, as children and parents love reconnecting with familiar teachers from past school years. We were incredibly fortunate to have 24 teachers and administrators volunteer their time—during their well-earned summer break—to share fun and engaging stories with our young readers. As we wrap up the program this month, I would like to extend a heartfelt thank you to all who volunteered and to the families who joined us each week. Your participation helps make this program such a meaningful and memorable tradition!

As of August 18, we have 758 summer reading sign-ups for children birth-entering Grade 6. That is 176 children more than last year! Great job readers, we cannot wait to find out how many hours you read this summer.

Moriches Branch August Board Report

Submitted by Kerrilynn Jorgensen

This month, the Moriches Branch celebrated the completion of our new rain garden, a project facilitated by Alice Chen through a grant she received from the Y-USA Changemakers Summit. Work began with a preliminary planning session involving local teens, who learned about the purpose and environmental benefits of rain gardens. Over three days, the group worked through challenging heat and humidity to prepare the site, install materials, and plant a mix of native species. Located adjacent to the additional gravel parking lot, the rain garden will help manage stormwater runoff, reduce erosion, and provide habitat for pollinators, while also enhancing the appearance of the grounds.

In addition, we are in the early stages of forming a staff-led Garden Committee. The goal of this committee is to create and maintain a small garden in the fenced outdoor area on the adult side of the library. With guidance from Master Gardener Maria Brandis, we will work to develop the garden and maintain other landscaping features on the property, ensuring the grounds remain both beautiful and welcoming. I have also reached out to the president of the Moriches Bay Garden Club to explore ways to connect with local community members who share a passion for gardening and may wish to participate in this new initiative.

Lastly, I have personally completed a 12-week American Library Association online course titled *AI Leadership in Libraries*. Over the duration of this class, I gained valuable insight into topics including the environmental impact of AI data centers, how data is collected, copyright considerations, pending and future legislation regarding data rights, and policy development for libraries. This training has provided me with a deeper understanding of how AI may influence library services in the years ahead and will help guide our approach in adapting to these emerging technologies.

MASTIC BEACH BRANCH

August 2025

Compiled by: Stephen Burg

Branch Highlights:

Over the past month, several aesthetic and functional improvements have been made to the Mastic Beach Branch. In the Children's Department, new chairs were added, bringing a pop of color and creating a more inviting space for our youngest visitors. The Teen Department also saw some much-needed updates, including the repair of a broken window. In addition, to address the frequent computer wait times during the busy summer months, two new patron computers were added, giving teens greater access and reducing delays.

Training:

- On August 8th I conducted training with Makerspace staff on using the Cricut everyone who attended used the Cricut to make their own sign with paper cutouts.
- On August 13th I conducted I conducted training with Makerspace staff on using the embroidery machine. Each staff member who attended learned to create and embroider their own monogram.

Meetings Summary:

- July 29 and August 13, Brookhaven town Libraries expo comity meeting
- August 14, I met with SCDHS Office Of Minority Health and our social work intern.

Program Highlights

Book Discussion:

The monthly book discussion for adults continues to thrive, with dedicated community members attending this literary group. This month, we were pleased to have Nick Auletto lead his second session since his recent promotion to Librarian Trainee. Participants expressed thoughtful insights and diverse perspectives regarding the psychological themes presented in Alex Michaelides' compelling novel, *The Silent Patient*. **Total Attendance: 18**

SCDOL Job Fair:

We are pleased to announce that this year's job fair was a tremendous success, and we are actively seeking another organization to collaborate with to offer an additional job fair annually. **Total Attendance: 77**

Caitlyn's Vision Gala

I had the distinct honor of attending this beautiful Gatsby-themed event, and I was sincerely impressed by Caitlyn and her remarkable achievements at just 15 years of age. Her drive, dedication, and ability to inspire others are truly commendable. During the event, Caitlyn announced the launch of a mobile eye screening unit that will offer free eye examinations for children and provide glasses for those in need. I arranged to partner with her organization this Spring and I am looking forward to support this admirable initiative.

Looking Ahead - Library Expo:

Technologies utilized in public libraries will be a major emphasis of the Brookhaven Town Public Libraries Expo, in which we are participating in on September 13. Robert Newman has designed and made custom bookmarks and planter signs to be given out at the event in order to advertise and showcase the laser engraver as one of our Makerspace technologies we offer.

Inaugural Golf Classic

What an exciting first year for the Literacy's golf fundraising event. It was a pleasure to see so many enthusiastic participants and such a successful turnout. I'm excited to see what will come of this event in future years!

Report for August 25, 2025

Library cards assigned to Main-Shirley in 2023 & 2024 are from the online card registration offered by SCLS.

Contract Patrons are residents of the Eastport South Manor School District who choose to register library cards with us. Their cards expire every year on July 1, and they must opt in to renew with us or move to another contract library. Principal Clerk Liz Horbal and the CRS desk clerks have to keep careful track of contract patrons who wish to renew in the month preceding so that we can roll-over registrations for those who have opted in on the morning of July 1 - we don't want any of our patrons losing access to program registration or Libby ebooks right as the summer begins! Thank you to Liz and the CRS team for a smooth transition this and every year.

Total Current Contract Patrons as of August 15: 237

New Contract Patrons in July 2025: 23
