**Akhbari, Parisa**

Over the past five years, Mitra Esfahani has known two constants: her best friend Bea Ortega and The Booka dogeared moleskin she and Bea have been filling with the stanzas of an epic, never-ending poem since they were 13. For introverted Mitra, The Book is one of the few places she can open herself completely and where she gets to see all sides of brilliant and ebullient Bea. There, they can share everything, Mitra's complicated feelings about her absent mother, Bea's heartache over her most recent breakup, nothing too messy or complicated for The Book. Nothing except the one thing with the power to change their entire friendship: the fact that Mitra is helplessly in love with Bea. Told in lyrical, confessional prose and snippets of poetry *Just Another Epic Love Poem* takes readers on a journey...as Mitra and Bea navigate the changing nature of I love you.

### **Amelia, If Only**

**Albertalli, Becky**

Amelia Applebaum isn't in love with Walter Holland. He just happens to be her favorite moderately famous, chaotically bisexual YouTuber. Who she just happened to invite to prom. (But it's fine. No, for real. If you delete the post, it didn't happen.) Okay, maybe her friends are right: She's slightly parasocially infatuated. But Amelia just knows sparks would fly—if only she could connect with Walter for real. If only he would host a meet and greet. If only it were just a short road trip away. And if only Amelia could talk her best friends into making it the perfect last hurrah before graduation—even her newly single, always-cynical, guitar-toting best friend Natalie. One thing's for sure: All roads lead to butterflies. But what if Amelia's butterflies aren't for Walter at all?
